Product Information

prices

Prices are effective from 1st January 2013. VAT will be charged extra where applicable.

distributor prices

Distributors are entirely free to set their own prices and are not obliged to use the prices printed in this catalogue.

quantities

Orders for personalised products are subject to a 5% unders or overs allowance for a 1 colour print and a 10% allowance for 2 or more colours printed, which will be supplied and charged. If an exact quantity is required on personalised products a charge of £25.00 will be applied.

product specification

We reserve the right to alter any specification or change materials when necessary. This may be done without prior notification but will not be to the detriment of the product or lessen its value.

print specification

Unless specified, the size and positioning of print will be at the discretion of the printer. We make every effort to match print colours to your requirements but we are unable to always guarantee an exact match. Prices are based on the correct colour separated artwork / digital files being received. Alterations and amendments to artwork will be charged extra.

personalisation and branding

All products include a 1 colour print unless otherwise stated. Please enquire for additional print requirements.

bespoke calendars

A standard handling charge of £100.00 will be applied for origination and make-up. Additional costs will be charged extra.

company logos

The products photographed in this brochure are intended to illustrate the effect obtained by personalisation and do not necessarily imply the products have been supplied or endorsed by the owners of the trademarks featured.

cancelled orders

A £25.00 administration fee will be charged for any order received and acknowledged but not started. A sliding scale charge will be made for any order which has been started. Any order which has been completed will be charged in full.

carriage

Prices are ex-works and carriage will be charged extra.

Artwork

software applications supported

Apple Macintosh: Quark Xpress, Adobe Illustrator, Adobe Photoshop, Adobe Pagemaker, Freehand and Corel Draw. If you cannot supply Apple Macintosh artwork, please telephone for advice.

digital artwork file carriers

CD Rom and E-mail.

Please supply composite and separation print-outs of the artwork supplied for our reference. If supplying artwork via E-mail, confirmation of sender, file name and date sent are required. It is always best to send E-mails from Mac to Mac as PC's can re-write attached Mac files into a PC format.

Artwork attachments via E-mail must have a maximum file size of 5 megabytes. Larger files can be compressed using Stuffit or Winzip or saved in a jpeg format, please ensure a file size of no more than 5 megabytes after compression.

artwork design

All documents must have at least 4mm bleed. Avoid using fine lines less than 1 point for screen printed images and 0.5 point for 4 colour process images. Check that the page size matches your required final document size.

fonts

All fonts used should be supplied.

Text using fonts that can't be supplied must be converted to paths or outlined.

colour separation

All spot / line colour artwork files must be colour split using Pantone colour references. For 4 colour process artwork files use CMYK separations and values.

image resolution

All images, illustrations and photographs must be accompanied by high resolution originals. Images should have a minimum resolution of 300 dpi at the same size as final print.

trap and spread

The correct amount of trap and spread (used when two or more colours touch or overlap) will automatically be applied to any artwork files requiring this.

This publication is copyright. Any reproduction is forbidden. All sizes and colours shown throughout this publication are approximate and no liability can be accepted for any variation.

Facts, figures and information featured in this catalogue are sourced from the BPMA and Norwood.

NOTES
